Subj: A&M Construction & Roofing
Recommendation Letter

I want to pass on my great experience with A&M Construction and Roofing. I was preparing a townhouse for sale and suddenly a roof leak appeared. The real estate agent had a prospective buyer so I needed to get this leak fixed quickly. The same day that I called A&M Construction and Roofing Mario immediately showed up to evaluate the problem and give an estimate regardless of his busy schedule he made time to get to me that very day. This stood out to me, even though A&M Construction & Roofing had a very full work load due to recent hail storm damage they still managed to fit me in.

A&M Construction & Roofing worked long shifts over the weekend to get my work done in a timely manner. Working with Mario was a joy due to his professional manner and his positive “get it done” attitude. I also liked the frequent updates I got by email and text as the repair was happening. The construction crew for A&M Construction and Roofing are very friendly and polite. I highly recommend A&M Construction and Roofing!
